

NATIONAL INNOVATIONS AWARDS 2018

Application/Nomination Form

CONDITIONS FOR ENTRY

The innovation or invention ideally should:

1. Be in use or its functionality can be practically demonstrated.
2. Be the development and implementation of an innovative idea, resulting in quantifiable increased productivity, efficiency, financial or other benefits
3. Perform a function that makes life easier and/or improves the quality of life
4. Display creativity and demonstrate the economic use of material(s) available locally or indigenous to Jamaica
5. Be the creation of an original, or a unique adaptation of existing gadgets, equipment, concepts, processes, products, or services with social or economic benefit
6. Solve or significantly reduce a problem in everyday life
7. Have realized or have potential for commercialization
8. Be safe for use and environmentally friendly
9. Must not infringe on any intellectual property rights or legal statutes

There is a category for the Young Inventor/Innovator or Youth Inventor/Innovator, determined solely by age. All other conditions apply.

All submission will be judged according to the conditions of entry and specific criteria for each category. Entry Forms are the property of the organisers and the judges' decisions are final.

Entrants must consult the Jamaica Intellectual Property Office (JIPO) before submitting applications (forms must bear the JIPO seal)

The competition is open to both Public and Private Sectors.

Mail or deliver completed application on or before 5:00 p.m., Monday, April 30, 2018

To: Mrs. Andrea Kerr
Coordinator, Innovation Awards Secretariat
